

# G

IN THE METROPOLIS OF BUFFALO-  
NIAGARA, ONCE-VACANT LAND HAS  
BEEN REACTIVATED BY A SUPERHERO  
TEAM OF COMMUNITY GROWERS...

THEY CALL THEMSELVES "THE  
GRASSROOTS GARDENERS"!

**BROCCOLI**  
*for the*

**WIN!**

Home-grown  
goodness  
from the  
Old First Ward  
Community Garden

BUT EVERY SUPERHERO,  
KNOWS THE REAL HERO  
IS THE ONE AT HOME  
WHO HAS THEIR BACK.

**THANK  
YOU!**

for your  
**SUPER!**  
support!

Smiles at our  
garden giveaway  
at the grand opening  
of the new  
NACC garden

## We rely on you to keep us growing strong!

Every day, neighbors gather in our member gardens to grow healthy food, heal their pain, and strengthen their connections to one another.

**This is the power of a  
community garden.**

Our community and school gardens grow strong because of the investment **YOU** make into our programs and operations.

Green thumb or not, your support also has allowed us to grow beyond our community gardens, affecting the landscape of the entire local food system! In addition to over 100 community and school gardens, we are growing our Public Land for Public Benefit campaign, our WNY School Garden Learning Lab, and the Niagara Falls Local Food Action Plan, thanks to you.

***Can we count on you again  
to help us continue the fight  
against food insecurity and  
blight in 2023?***

Thank you,  
***Jeanette Koncikowski & Tim Chen***
